Zacks Investment Research from AWI has just been updated with new hotline counts and new, first time available selects. US and Canadian names are available. These subscribers are interested in stocks and financial offers and seek advice via Zacks.com in this volatile market. But they are much more than investors; they have discretionary income to purchase from catalogs, donate to a variety of charitable causes. They are multi-channel savvy using both online AND offline channels as demonstrated by this new update and the selects available.

The Zacks.com website is designed to help individuals become more successful investors. Zacks provides tools that allow investors to research, select, and track their investments more effectively. At the heart of all Zacks research is the Zacks Rank, a proprietary stock analysis and selection system with an enviable track record for outperforming the market. This audience is perfect for fundraising, catalogs, investments, financial products, travel, insurance, and much more!!
